Aaron Thompson, Ph.D.
President

In accordance with KRS 164.945 - .947 and 13 KAR 1:020, this is to confirm that the **Campbellsville University's** conditional license with respect to the Doctor of Chiropractic program (CIP code 51.0101) is hereby extended to May 24, 2025.

The licensure of this program remains conditioned upon the university submitting approval documentation from Council on Chiropractic Education (CCE) to CPE once received.

This current conditional license is valid through May 24, 2025, at which time CPE will need to determine if an additional extension may be issued if the university has not obtained CCE accreditation by that date.

Once CPE receives assurance that Campbellsville University has satisfied these conditions, CPE will remove the university from conditional license status with regard to this program. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of the university's license for this program. An extension of the conditional license may be granted upon request of the institution with supporting justification.

CIP Code : 51.0101 - Chiropractic. -
Degree Level : Doctor's Degree Professional Practice
Degree Designation : DC
Program Title : Chiropractic
